## 10x42 BINOCULAR

The LM Outdoors **10x42 Binocular** transforms an ordinary day into a landmark one! The 10x42's user-friendly, streamlined design houses fully multicoated lenses and roof prism optics for high light transmission and an ultra-clear viewing experience. A lightweight, rubber coated body ensures that the 10x42 can withstand the bumps and jostles that come with trekking through a variety of terrain. Only the best features and quality components are used in the LM Outdoors 10x42 binocular, making it the perfect optic for any outing, event or other activity.
