**FIREFALL™ 20x50**

The Yukon Firefall™ 20x50 is blazing a new trail in the spotting scope category. A practical, yet elegant, design is the foundation on which the Firefall was built, improving upon earlier Yukon spotting scope models, and making it by far the most technologically advanced to date. This spotter is anything but standard in quality, features and included accessories. Fully multicoated lenses and a durable body come standard with the Firefall, as does Yukon's Limited Lifetime Warranty. A comfortable rubber eyepiece, with the help of quick focus and zoom knobs, help you zero in on your quarry at short or long distances. When you're ready to pack it up, the Firefall, along with its heavy duty tripod, stows easily and securely into the durable nylon carrying case with shoulder strap. With the Firefall at your side, the only thing that will burn is your passion and thrill for the outdoors! The Firefall 20x50 is backed by Yukon's exclusive Limited Lifetime Warranty.
