## NIGHTFALL™ SERIES

When night falls, you never know what the cover of darkness may be hiding; with the Yukon **Nightfall™ Series**, you can see in the dark and stay hidden! Using the most advanced infrared technology in its category and paired with a high resolution intensifier, the Nightfall transforms barely navigable low light and nighttime situations into a whole new world of adventure. A durable, yet lightweight, rubber armor body protects the unit and gives the user a comfortable gripping surface, perfect for extensive use. With long range viewing capabilities and a lengthy battery life, this easy to use night vision monocular is perfect for a wide range of recreational and professional uses, including hunting, security, boating, leisure, astronomy, nature observation and camping. The Nightfall is protected by Yukon's exclusive Limited Lifetime Warranty, so feel free to invade the night!
