MINI VARMINT HUNTER™

Popular among hunters and sporting enthusiasts, the NVRS line of titanium riflescopes are designed to be the best value on the market today, with newly updated looks and features. The **NVRS Mini Varmint Hunter™** is the smallest and lightest weight model in the Titanium line and uses enhanced optics, a durable, titanium body and sleek design to distinguish itself apart from any other night vision riflescope. This scope is also equipped with Yukon's exclusive flip-up lens cover that open to reveal quality multi-coated optics and an illuminated reticle. A built-in, powerful Pulse™ infrared illuminator is easily activated to enhance image brightness and increase range in total darkness; a precision windage and elevation adjustment and remote are additional features. The Mini Varmint Hunter 1.5x42 is backed by Yukon's Limited Lifetime Warranty.
